Notice of voluntary Dismissal

Comes Now, ALTON CANNON Plaintiff in Good-Faith respect Fully moves this Honorable Court <sup>to</sup> accept Plaintiff Notice of voluntary Dismissal in the above captioned case(s):

For The Following reasons:

That (Plaintiff) charge of discrimination does <sup>not</sup> fall under Title VII of The Civil rights Act of 1964.

That Plaintiff Failed to File his complaint with the (Federal E.E.O.C.) Located in Philadelphia, PA.

That the (Depart<sup>ment</sup> of Labor) only deals with Jurisdictional aspects of Discriminal in employment such as: race, color, Religion, age, marital status, sex etc.

That Plaintiff wasted his time Filing complaint in This Honorable Court, which would have been pre-maturely dismiss, due to Plaintiff filing complaint under the wrong legislative (statute).

That Plaintiff has legitimate and meritorious claims, however the court would ~~have~~ dismiss all cases, due to a technicality relating to filing case under wrong (Employment-Discrimination statute.)

That Plaintiff Complaint is (Discrimination in employment) for Criminal Conviction(s), which is <sup>not</sup> in (Title VII Civil Rights Act of 1964 Jurisdiction).

That Plaintiff did not move to serve the above captioned complaints to defendant in this Honorable Court.

For all the above reason(s) Plaintiff prays that this Court dismiss all the above captioned civil-complaints. That were filed mistakenly under the wrong legislative statute - "Title VII of The Civil Rights Act of 1964"

That Plaintiff was ignorant to the law, pertaining to having legitimate complaints, but filing complaints in right court, but under ~~wrong~~ statute and filing with wrong agency - Dept. of Labor E.E.O.C.
